

# SAFETY DATA SHEET (SDS)

## Concentrated Potshots

Revision Date: March 3, 2020

### SECTION 1. IDENTIFICATION

**Product Identifier** Concentrated Potshots

---

**Recommended Use** Portable toilet deodorizer

**Distributed By** PolyJohn Canada

**Initial Supplier Identifier** Chemcorp Industries Inc.  
5730 Coopers Ave #19  
Mississauga, ON L4Z 2E9  
Canada  
905-712-8335

**Emergency Telephone** 613-996-6666

### SECTION 2. HAZARD IDENTIFICATION

**Classification** Skin Irritation, Class 3. **H316:** Causes mild skin irritation.  
Eye irritation, Category 2B. **H320:** Causes eye irritation.  
STOT-SE, Category 3. **H335:** May cause respiratory irritation.

**Label Elements**

**Other Hazards** None known.

### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Chemical Name	CAS No.	Concentration	Other names
Alkyl dimethyl benzyl ammonium chloride (C12-18)	68391-01-5	6-8%	
Alkyl dimethyl ethyl benzyl ammonium chloride (C12-18)	68956-79-6	6-8%	
Aldehyde C-14	104-67-6	1-2%	
Orange Terpenes	68647-72-3	1-2%	

**Notes** All remaining ingredients are listed as non-hazardous or are in concentrations less than 1%.

### SECTION 4. FIRST-AID MEASURES

Product is unlikely to come into contact with handler due to being sealed in a water-soluble pouch. If pouch is broken or dissolves, the following first aid measures apply.

**Inhalation** If inhaled and if breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing. If experiencing respiratory symptoms, contact a physician.

**Skin Contact** If contents come into contact with skin, remove contaminated clothing and wash skin thoroughly with mild soap.

**Eye Contact** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing for at least 15 minutes. Contact a physician if discomfort persists.

**Ingestion** If swallowed, rinse mouth. Do not induce vomiting. Drink a lot of water. Consult a physician.

**Most Important Symptoms and Effects, Acute and Delayed** Treat symptomatically.

**Immediate Medical Attention and Special** If exposed or concerned: Get medical advice/attention. Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect

Treatment themselves.

### SECTION 5. FIRE-FIGHTING MEASURES

#### Extinguishing Media

Suitable Like surrounding materials

#### Extinguishing Media

Unsuitable None known.

#### Extinguishing Media

Specific Hazards None known.

#### Arising from the Product

Special Protective Equipment and Precautions for Fire-Fighters No special procedures. Wear proper protective equipment as with any fire.

### SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal Precautions, Protective Equipment, and Emergency Procedures Avoid contact with eyes and skin, and do not breathe vapours. Wear suitable clothing and gloves.

#### Methods for Containment and Cleaning Up

Gather material and place in an appropriate container. Avoid stirring up dust, and wear appropriate personal protective equipment dependant on situation.

### SECTION 7. HANDLING AND STORAGE

Precautions for Safe Handling Avoid handling the product with wet hands, as the pouches are water soluble. Avoid all eye and skin contact, and do not breathe dust.

Conditions for Safe Storage Store in a cool, dry location.

### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Notes

Appropriate Engineering Controls Local exhaust or general room ventilation is sufficient

#### Individual Protection Measures

Eye/Face Protection Usually not required. Use eye protection when dealing with broken pouches.

Skin Protection Usually not required. Use rubber gloves when dealing with broken pieces, or when handling pouches in a wet environment.

Respiratory Protection Usually not required. When dealing with broken pouches use a NIOSH approved dust mask.

### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance Pouch with Blue Powder

Odour Fragrant

Odour Threshold Not available

pH Not applicable

Melting Point and Freezing Point Not available

Initial Boiling Point and Boiling Range Not applicable

Flash Point Not determined

# SAFETY DATA SHEET (SDS)

## Concentrated Potshots

Revision Date: March 3, 2020

Evaporation Rate	Not applicable
Flammability (solid, gas)	Not determined
Upper and Lower Flammability or Explosive Limit	Not available
Vapour Pressure	Not determined
Vapour Density (air = 1)	Estimated heavier than air
Relative Density (water = 1)	Not available
Solubility in Water	Soluble
Solubility in Other Liquids	In salt water, solubility of the PVC film pouch will be much slower. Inner contents will remain fully soluble.
Auto-ignition Temperature	Not available.
Decomposition Temperature	Not available.
Viscosity	Not available

## SECTION 10. STABILITY AND REACTIVITY

Reactivity	The product is stable and non-reactive under normal conditions of use, storage and transport.
Chemical Stability	Material is stable under normal conditions.
Possibility of Hazardous Reactions	No dangerous reaction known under conditions of normal use.
Conditions to Avoid Incompatible Materials	Keep away from wet/moist/humid areas which may cause pouches to dissolve. Strong oxidizing agents. Anionic surfactants
Hazardous Decomposition Products	Upon decomposition, this product may yield oxides of nitrogen and ammonia, carbon dioxide, carbon monoxide and other low molecular weight hydrocarbons.

## SECTION 11. TOXICOLOGICAL INFORMATION

### Likely Routes of Exposure

Acute Toxicity	Not classified based on available information.
Skin Corrosion / Irritation	Skin Irritation, Class 3. Causes mild skin irritation.
Serious Eye Damage / Irritation	Eye irritation, Category 2B. Causes eye irritation.
STOT (Specific Target Organ Toxicity) - Single Exposure	STOT-SE, Category 3. May cause respiratory irritation.
Aspiration Hazard	Not applicable.
STOT (Specific Target Organ Toxicity) - Repeated Exposure	Not applicable.
Respiratory and/or Skin Sensitization	This product is not expected to cause respiratory or skin sensitization.

### Carcinogenicity

This product is not considered to be a carcinogen by IARC, ACGIH, NTP, or OSHA.

# SAFETY DATA SHEET (SDS)

## Concentrated Potshots

Revision Date: March 3, 2020

**Reproductive Toxicity** Not classified based on available information.

**Germ Cell** Not classified based on available information.

**Mutagenicity**

### SECTION 12. ECOLOGICAL INFORMATION *(section heading must appear; all content is optional)*

**Ecotoxicity** A small quantity is not toxic. Upon recommended usage, is not expected to be toxic to marine life.

### SECTION 13. DISPOSAL CONSIDERATIONS *(section heading must appear; all content is optional)*

**Disposal Methods** Dispose of in a safe manner in accordance with local regulations. Depending on local regulations, it may be disposed of as a solid waste.

### SECTION 14. TRANSPORT INFORMATION *(section heading must appear; all content is optional)*

**Regulation** Not regulated in all modes of transportation.

### SECTION 15. REGULATORY INFORMATION *(section heading must appear; all content is optional)*

**Safety, Health and Environmental Regulations** Conforms to WHMIS in Canada, OSHA in USA, WHS in Australia. All components belong to DSL list in Canada, TSCA list in USA, AICS in Australia, New Zealand Inventory in New Zealand, EINECS in Europe.

### SECTION 16. OTHER INFORMATION

Although reasonable care has been taken in the preparation of the information contained herein, the manufacturer extends no warranties, makes no representation and assumes no responsibility as to the accuracy or suitability of such information for application to purchaser's intended purposes or for consequences of its use.
